

TRANSPORT ARRANGEMENT GUIDE

*This guide has been prepared to help our customers arrange their transport. In this document, SEUR is used solely as an example.

1-Search online for the transport company of your choice:

2-Click on "Ship Now":

3-Enter the sender's information:

Complete the pickup information. Once the order has been prepared, BIODIS will provide the customer with the weight and dimensions of the package (length × height × width), so that they can complete the required information. Our facilities are located in Badalona (08918).

The customer may purchase transport insurance if they wish. The terms and conditions of coverage and compensation depend solely on the selected transport company. We recommend reviewing these terms before confirming the shipment.

6- Complete the sender's and recipient's details:

Complete the sender's information using the details provided by BIODIS, and fill in the recipient's information with the customer's contact details.

Before confirming the shipment, verify that all the information is correct to avoid any delivery errors.

Important

This guide is provided for informational purposes only and has been prepared to help our customers arrange their shipments.

BIODIS is not a transport company and assumes no responsibility for shipping rates, delivery times, insurance, loss, damage, or any other incident related to transportation carried out by a third-party carrier.

SEUR is used in this guide solely as an example. The procedure is similar for most carriers.
